More Cuts Necessary

SPECIAL TOWN MEETING AUGUST 29
MATTAPOISETT SELECTMEN'S MEETING
AUGUST 8, 1989-by VIRGINIA MORGAN

Another special town meeting will be held on August 29th to consider the cuts necessary to meet the reduced town operating budget. The Selectmen and Finance Committee met last Tuesday to complete their recommendations for department cuts.

Finance Committee member Robert Banz commented that through the cooperation

of all departments the Committee and Selectmen have managed to cut the $373,000 from the fiscal 1990 budget with level funding in many departments and cuts in others, plus complete removal of some budgets, such as the beach and band concerts. Another $150,000 must be cut because of the reduced state aid, he said.

Mr. Banz suggested two options to reduce further cuts: 1) Take out of the budget fixed items and costs. Lay even the budget across. Take the rest out across with a five or six percent reduction. 2) "We could recognize that the town is running ahead of last year in local receipts." Last time Mr. Banz checked the receipts were up from $843,000 to $1. million for 1990 receipts.

Selectmen Chairman Bernard F. Talty and Selectman William F. Hubbard agreed the second option seemed reasonable but preferred only part of the free cash should be taken out. Mr. Banz said "we could take 50 percent of what is needed, or about $75,000 in anticipated revenue."

A bulletin from the State Department of revenue noted DOR has adopted several changes to allow communities the use of free cash. Advance approval of these new or increased revenue sources as estiamted receipts will be given by the Bureau of Accounts upon submission of appropriate documentation and revenue projections. These actions will allow communities to maximize the use of free cash to help deal with budget adjustments at special town meetings.

The additional funds could come from the town's rejection of the Old Rochester Regional District School Committee budget and request the committee to reduce an

additional five percent, about $85,000 cut. The Finance Committee expressed appreciation to the town departments, especially the Mattapoisett School Committee for their "Trojan" efforts in reducing its budget. It was noted they have been very cooperative. The local school committee reduced its budget $141,000 from the original budget recommended for fiscal 1990 of $1,919.198.

Selectmen also agreed to several cuts in the town accountant's budget with the hiring of private accounting services for about $15,000 with $8,000 clerk and $1,904 for expenses for a total of $24,904 versus the $32,975 with a full-time town accountant and clerk and expenses.

In other business, Selectmen:

to retain its services for the Keller Project.

The Commission intends that the review include detailed field verification of the wetlands delineation performed by the applicant (Keller Company) and be completed in early September. The accepted rate is $55. per hour for personnel involved. It was requested that fees and costs not exceed $4,000 before contacting the commission on services to be completed.

GAVE PERMISSION to the Mattapoisett Lions' Club to support the annual Mattapoisett Swim Meet at the Town Beach. Mr. James Hubbard will supervise the event; ambulance service will be provided and lifeguards will be in attendance, all at Lions' Club's expense.

MET WITH Ms. Diane Perry of Brandt Island Road, representing the Brant Beach Improvement Association, regarding their concerns with the Environmental Impact Report that has been filed by the Keller Company for their proposed project "Brandt Island in Mattapoisett/ Fairhaven". The Association supports the project; however, a subcommittee has been formed to gather and share information regarding the possible impacts, especially those that could adversely affect the environment. The major concerns were related to traffic, sewer, the bordering shellfish beds, the proposed water main extension, wetlands and area well water.

In her letter of concern to the Selectmen, Ms. Perry noted the deadline for comments on the Impact Report is August 28, 1989. The association asks that the Selectmen find a professional to evaluate

the report, with the whole town's best interests in mind. The Association will be sending a letter to the Executive Office of Environmental Affairs addressing these concerns.

Selectmen noted there are no funds available through SRPEDD this year but they will check with Burk Ketcham, the planner working with the Planning Board, to determine if there are people in his company that can do this study. Chairman Talty said the $100,000 donation from Keller Company for a planner has had $35,000 expended; there is $65,000 left for planning.

MET WITH Harbormaster Steven Mach to discuss winter versus summer rates for boat spaces. He said about one-half of the people polled were in favor of the two rates and one-half were against. It was agreed someone in a space who vacates by December 31 will not be billed additionally. Anyone leaving a space and sublets for the winter, the renter will pay. On November 1 they will buy for the whole season. With permission of space holder it can be rented. The boat can be no larger than the boat that was there in the summer. The skiff rate will be the same next year, $50. per year; dinghy storage space, $25. There will be another lottery next spring for dinghy storage. Also, the date has been extended from September 1 to October 1 to register for moorings.

RECEIVED WORD from Fire Chief Donald C. Wood that he has received a donation of automatic door openers from Mr. Ben Studley of 6 Pine Island Road. He said they were installed Saturday. A letter of thanks will be sent to Mr. Studley by the Selectmen.

AGREED to have UST Corp. of Providence remove the underground fuel tank at the old police station at a cost of $2,009, funds to be taken from the Reserve Fund.

Most of the fuel was removed at the Chief of Police's direction; the remainder, about 50 gallons, should not be a problem. This bidder agreed to back-fill the hole for this price. The Fire Chief said he has dealt with this company and their work record is good.

AGREED TO ACCEPT the sale figure of $5,650 for town-owned land located off Brandt Island Road, consisting of 4,655 square feet, zoned waterfront, to Richard and Joanne LeBlanc. Three appraisals were received: J & J Realty, $5,800; Sandra Dawson, $5,500; and Smith Associates, $5,500. Mr. and Mrs. LeBlanc will pay all costs involved.

RECEIVED TWO LETTERS in opposition to the proposed fixed timber pier project of 256 feet, with a ramp off Brandt Island. The application was made to the U.S. Army Corps of Engineers by Ann G. Leibowitz, Treasurer/Secretary for the Brandt Island Piers Project.

One letter was from Mr. Harvey Blanchette, representing the Brandt Island Improvement Association, Inc. with mem-

We urge the Selectmen to call and conduct a public hearing so many of the issues of vital importance can be heard, primarily environmental issues." The second letter was from Mr. William Straus which was a copy of one sent to the Army Corps of Engineers. His concerns include water pollution; littoral drift (the shoreline); adequacy of design.

BUDGET REDUCED BUT DISTRICT OVERRIDES MATTAPOISETT

Although two percent of Mattapoisett voters agreed last Wednesday at a special town meeting to cut the Mattapoisett share of the Old Rochester Regional School District budget by five percent (44 to 25), the Town of Rochester on the same night voted to retain the budget as presented. As the result of Marion's previous vote to accept the budget as presented and its share, and now Rochester's vote, Mattapoisett is forced to pay its share of

$1.7 million of the $5.43 million ORR budget for fiscal 1990.

In opening remarks, Town Moderator R. William Blasdale said, "By the skin of our chinny-chinny-chin we have a quorum." (A quorum is 50 registered voters - 73 were present). "The Finance Committee and Selectmen have been hard at work making cuts, and now it's even harder because of the state aid cut. We will be back again on August 29 to go through the budget making the $520,000 cuts necessary to live within the budget."

The Finance Committee did not recommend passage of the request for $1.7 million, but did recommend a 5 percent cut of $85,000 to $1,616,323 as Mattapoisett's share. About 1½ hours were spent with voters trying to understand the implications if the vote was changed. Finance Committee Chairman Elizabeth Kunz explained "we have to make up an additional $150,000, and if some of it doesn't come from the ORR budget we will have to go back to the town departments and the local school committee budget. The local school committee has already made deep cuts in the amount of $141,180. It's only a matter of fair play that the ORR School Committee should cut a certain amount."

Several comments were made regarding the salary of an assistant superintendent and secretarial services for a total of $64,000 for the three towns. Why add new people when cuts need to be made was asked of Committee member Dr. Manuel C. Rosenfield. He explained the new administrator was needed and that his committee would cut programs and personnel before losing the position.

explained that Mattapoisett's cut in state aid of $212,000 is three percent of our total $7. million budget. The total cuts of $373,000 and the $212,000 is about eight percent of our total operational budget. "We cannot expect any additional state funds." When asked if Selectmen would consider another override question on the $212,000, Chairman Talty said, "We have made a commitment not to ask for another override. If we did we would be into November without an operational budget."

Town Counsel Donald J. Fleming said action had to be taken that night. He said if the town does not disapprove the $1.7 million the figure will be automatically approved.

On Thursday, after the Rochester and Mattapoisett special town meetings, Town Administrator Lois K. Ennis commented, "It's back to the drawing board for more cuts."

STORY HOUR PARTICIPANTS STAGE PLAY

Winding up the Mattapoisett Library's Wednesday Night Story Hour on August 2nd, 14 participants staged the play, "A Stone in the Road". Under the direction of Louise Preissler, of the InkWell Writing Workshops, children used improvised costumes, scenery and dialogue to perform their own version of the old folk tale. Judging by the audience's applause and the cast's beaming faces, the production was a successful end to a summerful of fun at the Library.

Katelyn Nugent, Jillian Mitchell, Beth Anne Brown, Sarah Mui and Daniel Mitchell.

Friends of Mattapoisett Library

Due to the increasingly tight budget constraints in Mattapoisett, the Library has had to make deep cuts. These cuts will affect service and programs.

In response, patrons are re-activating The Friends of the Mattapoisett Public Library, an organization which gives support to all areas of Library activities. A membership table will be set up at this week-end's Craft and Art Show. Anyone interested in lending their support to the Library please stop by the table and sign up.

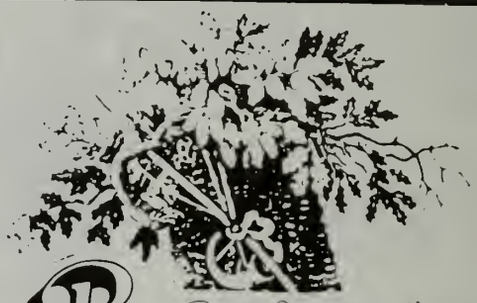
Mattapoisett Historical Museum

The weather is no excuse for not coming to the Mattapoisett Historical Museum to view the exhibit "YESTERDAY'S ELEGANCE". If it is raining the Museum is the place to be and should it be hot and humid the Museum is air conditioned for everyone's comfort. So, do plan a visit.



The antique clothing from the Museum's collection is really beautiful and a treat to see. The permanent exhibits are most varied and please all ages and interests.

After viewing the exhibits one realizes how much work it was in the past to just prepare food, do the laundry, and be well dressed. The new appliances have freed us all to pursue other more interesting activities.

The Museum is open Tuesday through Saturday from 1:00 to 4:30. Admission is $2.00 for adults and $.50 for children. Members and their guests are free.

The Museum is located on the corner of Church and Baptist Streets in Mattapoisett.

Miniature Collectibles, Toys

Area collectors will be displaying old and new die-cast toys, railroad trains, buses, fire trucks, horses, tractors, cars, trucks, dolls, circus memorabilia, etc.

lures and other objects into her clay figures to express a particular emotional state. These figures, approximately 13 to 20 inches in height, are created from raku clay and fired in an electric kiln. A second firing is completed in a brick kiln containing sawdust, pine needles and leaves. This technique enhances the clay with subtle variations in color and random markings. Ms. Wight-Waltman frequently uses a small porcelain figure enclosed in the center of the large, darker figure to express strength and fragility.

Ms. Waltman is a native of Kentucky where she pursued a Fine Arts degree, though she is principally self-taught in ceramics. She is an active member of the Falmouth Artists' Guild and lives with her husband, a photographer, and her son on Cape Cod.

Lucy Iannotte lives in New Bedford and teaches weaving at Wildflower Fiber Studio and is production assistant to fabric artist Hillery Gifford. Her education includes a B.F.A. from Boston University as well as study in Greece and West Africa. She has had exhibitions in Illinois, Georgia, Connecticut and several cities in Massachusetts. This exhibition marks her first show at the Marion Art Center.

The gallery hours are: Tuesday through Friday, 1 to 5; and Saturday, 10 to 2. The show runs through September 13th. There is no admission charge.

Engagement Announced

Mr. and Mrs. Giles H. Dunn of Mattapoisett announce the engagement of their daughter, Rebecca, to Joseph A. Chowske, son of Mr. and Mrs. Joseph E. Chowske of Richmond Hills, New York. A July 14, 1990 wedding is planned.

Miss Dunn was graduated from St. Michael's College in Vermont. She is presently teaching English at Bishop Kearney High School in Brooklyn, New York.

Mr. Chowske graduated from Fordham University. He presently teaches Biology and coaches Track at Archbishop Molloy High School in Queens, New York.

Letter to the Editor

This is an important notice to anyone interested in the Mattapoisett/Fairhaven golf course and development that is being proposed by the Keller Company of Hingham, MA. A Draft Environmental Impact Report regarding the project has been filed with the Executive Office of Environmental Affairs. The deadline for public comment on this DEIR is August 25.

The Brant Beach Improvement Association, which borders the project in Mattapoisett, is on public record as supporting it. Nevertheless, a sub-committee has been appointed to gather and share information regarding the possible impacts,

locate: Hester Barnes, Ruth Cook, Shirley Pearson, Richard Raybold, Mimi Reed, William Roberts, Norman Rogers, and David Wilson.

Anyone knowing the whereabouts of the above is asked to contact Dorothy (Lacerda) Porte (992-1544) or Elsie-Lee (McCarthy) Marvin (758-2716).

both positive and negative. Several members of the BBIA have already reviewed the report and the group is presently in the process of drafting a letter to the EOEA regarding several areas of concern that we have discovered. In brief, the main topics of concern covered in this letter will be regarding traffic, sewer, the bordering shellfish beds, the proposed water main extension, wetlands, and area well water.

The citzens of the surrounding area have an opportunity to actively participate in decisions that will help to shape a project of major impact to all of us, not just residents in the immediate area. This opportunity is available to everyone, not just residents of Mattapoisett and Fairhaven. The more responses that are sent to the EOEA the better, as it will help them to better understand and address the specific needs of our area.

There are several copies of the DEIR available for public review, including those at the town libraries and various town boards of Mattapoisett and Fairhaven, and others. Residents of Mattapoisett can also contact Diane Perry to borrow the BBIA copy.

Comments on the DEIR should be sent

Veterans' Up-date

NEW RULES FOR HEADSTONE BENEFITS

The Department of Veterans' Affairs has asked congress to permit reimbursement to survivors for cemetery headstones purchased before a veteran's death.

Under existing law the VA can reimburse survivors for burial and plot expenses paid in advance, but not for headstones.

The bill would permit survivors to receive the VA's allowance for markers if a veteran purchased a headstone before dying. A family requesting a refund would receive no more than the average amount of a government-provided marker - $80.00 in 1989.

Only families of veterans who purchased a marker after the bill becomes law would be eligible for refunds.

Instead of the headstone allowance, most veterans can receive a marker paid for and shipped by the government. Survivors must pay to place a marker in a private cemetery.

GI INSURANCE BENEFICIARIES

Many veterans are still paying premiums on GI life insurance policies without realizing that the proceeds will not be paid to their immediate survivors, warns Tom Lewis, Director of the New York State Division of Veterans' Affairs.

A startling number of veterans have neglected to keep their beneficiary listings

up-to-date. They think changing their last will and testament will take care of it. But that has no effect on insurance policies. The company will pay whoever is listed as the beneficiary.

When a veteran dies and he or she has not up-dated their beneficiary listing, an old "flame" or an ex-spouse may be the surprise recipient of thousands of dollars the veteran thought would benefit his or her family or loved one.

This can be corrected by contacting your nearest Veterans' Service Office and filling out a simple form. Mattapoisett/Rochester, call 758-3759.

Theatre One Productions

Theatre One Productions Dinner Theatre will be holding open auditions Sunday, August 20th, and Monday, August 21st, and again on Sunday, August 27th, and Monday, August 28th, from 7:30 to 9:30 p.m. at the Four Quarters Restaurant on Route 105, Main Street, Lakeville.

Actors should prepare a song to sing and provide their own sheet music. A cast of five includes 2 women and 3 men; ages 20 and older. Productions open in October for two weekends. For further information call 947-1880.

Garden Classes, Ashumet

SUMMER HORTICULTURE CLASS

Massachusetts Audubon's Ashumet Holly and Wildlife Sanctuary in East Falmouth has scheduled a new class in flower arranging in their continuing horticulture educational program. The classes are sponsored by the Friends of Ashumet and all proceeds are used to help maintain the Sanctuary.

FLOWER ARRANGING FOR BEGINNERS will be offered on Tuesday, August 22nd, from 10 a.m. to noon. Charlotte Neves, instructor, will teach the use of wayside flowers in country-style arrangements. Pre-registration is required and space is limited. Please call 563-6390 for information on fees and materials, or write to Massachusetts Audubon, 286 Ashumet Road, East Falmouth, MA. 02536.

N.B. Symphony Auditions

Wednesday, September 6th, the New Bedford Symphony Orchestra will hold auditions for paid positions in violin, viola, cello, bass as well as winds and brass. Please call the NBSO office at 999-6276 for information and an audition appointment.

eye talk

Q. **Should I get my eyes examined every year? How about my children?**

A. If you are over 35, in your teens or a school-aged child, you should have an annual vision examination.

Once every two years may be all you need if you are in your twenties and early thirties, unless your optometrist advises otherwise.

Parents should start their children off with a first vision examination by age three and again before entering school. Since vision may change rapidly during the school years, annual examinations make good sense.

After age 35, yearly optometric examinations are needed to detect eye disease signs early and to keep pace with changes in vision that occur naturally as we get older.

Voyager 2's Neptune Encounter

Southeastern Massachusetts University's Library will provide large-screen television viewing of Voyager 2's encounter with the planet Neptune August 21-29. The NASA spacecraft will send continuous satellite transmissions of its visit to Neptune and its moons.

SMU's coverage of the broadcasts will be from noon to 5 p.m. August 21-22, August 24-25 and August 28-29. On August 23 coverage will be from 3-5 p.m. The public is welcome to view the broadcasts, which will be shown in the first floor browsing area. Parking is in lot 13.

Highlights of the transmission are expected on August 24-25 when the spacecraft will make its closest approach to the planet. Voyager 2's objectives are to determine the basic characteristics of Neptune and its large moon, Triton; to find any new moons and rings; and to search for planetary phenomena such as lightning and radio emissions.

Basket Workshops, Heritage

Martha Wetherbee, Basket Weaver, will instruct participants on how to make three different baskets on Friday through Sunday, August 25th, 26th, and 27th from 9:00 a.m. to 5:00 p.m. at Heritage Plantation of Sandwich.

Participants will learn how to make the following baskets in the Theatre of the Shaker Round Barn. The Fancy Lace basket will be taught on Friday. This basket measures 5 inches by 2 1/3 inches tall. It is a delicate version of the original Shaker Basket made at Mt. Lebanon, New York. The bottom begins as a cheese basket until it meets the sides and then is woven solid. A saw tooth edge graces the basket's top.

Instructions for the Spoon Basket will be given on Saturday. This basket has cupped sides and resembles the bowl of a spoon. Each basket has a double-notched handle called an ear. Often

sold as a child's basket or trinket, examples of spoon baskets were offered in Shaker shops as early as 1820. This type of basket was made by the New York Shakers from 1840-1875. Participants will use Ms. Wetherbee's molded system and tools to construct this basket measuring 3 inches in height, 6 inches in length and 4½ inches in width.

The Two Egg Size "Nantucket Style" Basket will be taught on Sunday. This basket has a beautifully turned birch bottom disc. The spokes or uprights are made of ash and the weavers are the finest sized cane. The rims are made of reed and the lashing is ash. There is a birch handle attached with brass fittings. This small basket measures 4½" overall height, 3½" width and 2½" body height.

The cost for each basket is $145.00 for Heritage Plantation members and $175.00 for non-members. All tools and material will be provided. No previous basket making experience is required. Please register to make the basket of your choice by calling 888-3300, extension 22.

"PEOPLE, PLACES AND THINGS"
OPENING IN OLD BARN GALLERY

"People, Places and Things", the paintings of Jean Harwick of Yarmouthport, is the fourth changing art exhibition in the Old Barn Gallery at Heritage Plantation. The show opens Sunday, August 10th, and runs through September 17th.

A "Meet the Artist" reception will be held from 1:00 to 3:00 p.m. on the opening day of the exhibit.

Mrs. Harwick is a graduate of the Moore College of Art, Philadelphia, PA. While in Pennsylvania she was on the faculty of the Wyomissing Institute of Fine Arts.

After settling in Yarmouthport with her husband in 1979, Mrs. Harwick became a member of the Plymouth Guild, Inc., the Cape Cod Art Association, the Basement Painters, Orleans; and the Provincetown Art Association.

Her exhibition of portraits, landscapes, still life and florals show her mastery of the medium, fine composition and a thorough understanding of form, anatomy, perspective and design. Mrs. Harwick is a colorist and her paintings glow with a gemlike quality.

Crapo Portrait to Library

The New Bedford Free Public Library has received a portrait of William Wallace Crapo that previously hung in the Crapo Gallery at the Swain School, from the Crapo Foundation, through Dr. John Bullard. Reverend Constantine Bebis, chairman of the gift committee for the Trustees of the NBFP Library, expressed his appreciation of the gift. "We are especially pleased since W.W. Crapo was the donor of the whaleman statue on the library lawn, and our special collections department houses a large collection of his personal papers."

Teaching interns gain experience by observing, assisting and teaching environmental education classes in area schools, public programs and special events. Some experience teaching children is helpful.

Exhibit interns work with the curator on the development of exhibits for the nature center and museum. Applicants should possess some artistic or design skills.

Journalism interns work with the staff on the planning, design, editing and production of newsletter, program schedules, brochures and promotional materials. Strong writing skills are required; photography and/or graphic arts skills and an interest in natural history are helpful.

Research interns work on projects related to the research goals of the Society including surveying plant and animal communities of the region and monitoring certain species of special interest.

Applicants should have completed at least two years of undergraduate study in the natural sciences, environmental education, museum studies, journalism or a related field. Housing and a $40 per week stipend are available to qualified candidates. Internships may vary from eight to twelve weeks in length and may begin anytime between September 15 and February 1.

Project Grow

PRE-SCHOOL APPLICATIONS AVAILABLE

Applicants for enrollment in Project GROW, the public school early childhood program, are currently being sought. Marion and Rochester children who will be four years old by February 28, 1990 are eligible to apply.

The purpose of Project GROW is to provide pre-school experience to children whose families have been unable to enroll them in another program and who desire a pre-school experience for their child and to provide children with special needs the opportunity to receive service in the least restrictive environment.

Beginning its third year of operation, the program offers all children an exciting, developmentally based pre-school experience. Additionally, home visits respond to parents' needs and concerns about their child's development.

The program is staffed by a certified early childhood teacher and an aide. It is located at the Sippican School and operates Monday through Thursday from 9 to 1. Parents are responsible for providing transportation to and from school each day.

Buzzards Bay Project

WORKSHOP TO BE HELD

How are wetlands and habitats in Buzzards Bay currently protected and what can towns around Buzzards Bay do to ensure that these valuable resources are preserved for future generations?

"Wetlands and Habitat Protection", the second in a series of Buzzards Bay Issues workshops, will address these questions and others of concern to towns in the Buzzards Bay watershed. The session will be held on Friday, August 25th, from 9 a.m. until 3:30 p.m. at the Days Inn, New Bedford. Registration in advance is preferred. Registration at the door is at 8:30 a.m.

To register for this workshop or the three remaining workshops (Shellfish Protection, Toxics and Hazardous Materials, and Sewage Treatment) please call the Lloyd Center at 990-0505. The fee is $5. per workshop which covers registration materi-

Now is the time for people concerned about coastal management issues to get involved. Local government officials, representatives of environmental organizations and private citizens can make a difference by participating in these workshops. Your input, comments and feedback are essential to the successful implementation of a master plan intended to protect and preserve Buzzards Bay.

Mark Robinson, Executive Director of the Compact of Cape Cod Conservation Trusts, Inc., will moderate the workshop and direct discussion of wetlands replication, set-back distances to protect wetlands, enforcement and compliance and the potential cumulative impacts from small docks and piers. Non-regulatory approaches to wetlands protection will also be discussed.

Speakers and discussion leaders include: Andy Savitz, Environmental Enforcement from the Executive Office of Environmental Affairs; John Rockwell, Conservation Officer of Town of Westport and Conservation Commissioner of the Town of Marion; Arlene O'Donnell, Deputy Director of the Department of Environmental Protection; Gary Clayton, Director of Sanctuaries, Massa-

Oklahoma!

AT ZEITERION AUGUST 17-19

Have the end-of-summer blues got you down? Already wishing the kids were heading back to school? Did your vacation end just as you started feeling relaxed?

Take some time out to refresh yourself and your family with a trip to see America's best-loved musical, Rodgers & Hammerstein's Oklahoma! at New Bedford's Zeiterion Theatre Thursday, August 17th through Saturday, August 19th.

You know all the songs - they're some of the best tunes and lyrics written for the American theatre: "Oh, What a Beautiful Morning", "The Surrey With the Fringe on Top", "I Cain't Say No", "People Will Say We're in Love", and "Oklahoma".

Oklahoma! is the show that first brought together Richard Rodgers and Oscar Hammerstein II, the team that later wrote other big hits like Carousel, South Pacific and The King and I. Oklahoma! is based on a play by Lynn Riggs called Green Grow the Lilacs -- an affectionate recollection of the author's childhood in

Oklahoma before it became a state.

Oklahoma is the stuff of romance. The storyline weaves two separate love triangles wherein two cowboys try to woo two pretty girls despite the rivalry of two other men.

In the Zeiterion's production Neil Donohoe plays Curley, the ardent and optimistic cowboy who tries to court his sweetheart, Laurey, despite the attentions of a brooding and menacing hired hand named Jud, played by James R. Jennings. The role of Laurey is played by Mary Margaret Camardese. The second love triangle mixes in some hilarious comedy when country boy Will Parker courts Ado Annie, the girl "who cain't say no". New Bedford's Deirdre Hickos is Annie and Steve Isom plays her happy go-lucky suitor, Will. Complicating their love affair is the comical Persian peddler, Ali Hakim, who vies for Annie's love. Paul Mungo plays the role of Ali.

Oklahoma's creative team is led by Artistic Directors George T. Charbonneau and Armand R. Marchand, and includes Musical Director Donald Vasconcelles and Choreographer Clay James.

Oklahoma! runs Thursday, August 17, at 8 p.m., Friday and Saturday, 18 and

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Billy Woods Wharf. Limited Shuttle Bus Service available to the Elm Street garage.

ASICS' GEL

More than just Superior Shock Absorption.

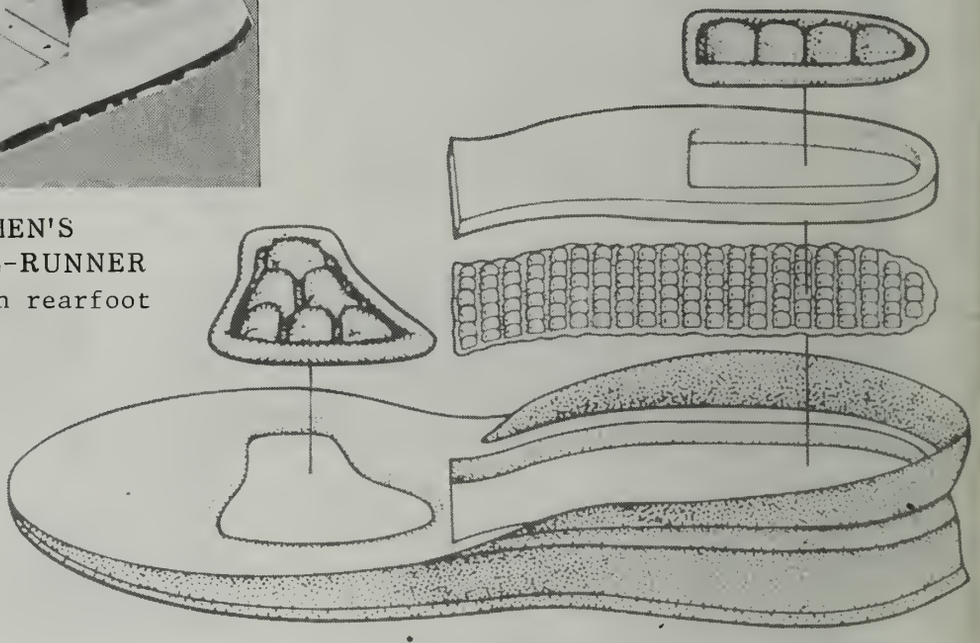
MEN'S
GEL-RUNNER
Asics' Gel in rearfoot

Stable

Asics' Gel outperforms more traditional cushioning methods. Because very small amounts of the unique silicone formula can absorb high amounts of force, low profile midsoles can be used, avoiding risk of injury. Asics' Gel also absorbs side-to-side impact.

Durable

The gel retains its shock absorbent characteristics and is encased in a rugged PVC packet so it won't leak or change shape.



Asics' Gel placement is determined by biomechanical needs associated with different types of sports.

Lightweight

Asics' Gel adds no significant weight to the shoe .. the lighter feel spells comfort to the athlete!

Other styles for both men and women available.
